

**5TH EUROPEAN
BREAST CANCER
CONFERENCE
NICE - FRANCE
21 - 25 MARCH 2006**

CME CERTIFICATE

This is to certify that **Dr. Georg Zenner (Switzerland)**

has attended the 5th European Breast Cancer Conference (EBCC-5) jointly organised by the European Breast Cancer Coalition (Europa Donna), the European Organisation for Research and Treatment of Cancer (EORTC) and the European Society of Mastology (Eusoma) in Nice, from 21 to 25 March 2006.

The scientific programme of EBCC-5 has been appraised and approved by the Accreditation Council of Oncology in Europe (ACOE).

ACOE is a multidisciplinary body of full time specialists practising in the field of oncology and all recognised for their experience in education and expertise in their field. It acknowledges the quality of the scientific programme and its educational value.

ACOE accreditation has been endorsed by the European Accreditation Council for Continuing Medical Education (EACCME) – an institution of the European Union of Medical Specialists (UEMS).

EBCC-5 scientific programme has been designated for a maximum of 18 European CME Credits (ECMEC's).

These credits can be converted into national CME credits in the countries adhering to the EACCME system.

They are also recognized as Physician's Recognition Award (AMA PRA Category 1 credits) by the American Medical Association*.

The abovementioned participant has earned 18 out of 18 ECMEC's at this event (one ECMEC per full educational hour attended with a maximum of 6 ECMEC's for a full day and 3 ECMEC's for a half day).

This Conference operates an honour system. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.
